In the originally published version of this manuscript, there was an error in the fifth paragraph. The relevant section should read: "In the study published in SLEEP in this issue, Gonzalez et al. analyze the clinical phenotypes of OSA in a community-based cohort of persons of Latin American heritage living in the US (a large population, but one that is nevertheless often

neglected in sleep medicine). Instead of: "In the study published in SLEEP in this issue, Gonzalez et al. analyze the clinical phenotypes of OSA in a communitybased cohort of Latin American subjects (a large population, but one that is nevertheless often neglected in sleep medicine)." This error has been corrected online and in print.
